Hi Steph
Wanted to give you a heads up that we are going to hire Melissa Nathan to help with scenario planning. She's great! She was our top pick at Westbrook and we worked with her at CAA on several clients! I reached out to her last night and Jamey and I spoke to her for a long time under NDA. We both feel great about it. I'm around if you were t to talk. Just wanted to give you a heads up. I'll let Jenn know after you and I connect! We can also touch base Monday
Have a great weekend !
